***Almighty God,
We Make Our
Earnest Prayer***

ALMIGHTY God, we make our earnest prayer that Thou will keep the United States in Thy holy protection; that Thou will incline the hearts of the citizens to cultivate a spirit of subordination and obedience to government; to entertain a brotherly affection and love for one another and for their fellow-citizens of the United States at large.

ACTIVITIES

SPIRITUAL EMPHASIS WEEK

The annual Spiritual Emphasis Week was held March 21 through 26, with sermons in Wickham Chapel twice daily by the Rev. Ernest N. Hart, pastor of the Central Presbyterian Church of Owensboro, Kentucky. Mr. Hart is the first former student of Pikeville College ever to return as Spiritual Emphasis Week speaker. An advanced student and counselor of boys at Pikeville College in 1916-17, Mr. Hart came to Kentucky from Canada where he had been a missionary to the Indians. He is a native of England.

Mr. Hart's sermons made a very deep impression, and the response was wonderful—sixty-eight students made a first profession of faith and seventy-one others rededicated themselves to the service of the Master. Each of the sermons was a definite and carefully prepared step in a series presenting the need for seeing God face to face and the results of such a vision—a sense of sin, confession, cleansing, and service.

Mr. Hart did not present the Christian life as an easy-going thing, but challenged young people to make sacrifices and to give their best. The response showed that he was not mistaken in making such an appeal to youth.

Perhaps the outstanding sermon of the series was on Thursday night, the last of the night sermons, when he dramatized the story of Barabbas, and made a most searching appeal for accepting the Cross of Christ.

The last service of the series was on Friday morning at the regular chapel time, when he bluntly put the question "What will YOU do with Jesus?" That service is described in the words of President Page:

"I never in my life had such wonderful experiences as on that morning. Young men and women in the college whom we had been praying for came forward and then went to work with their classmates, and as a result we had one of the most glorious occasions ever known in Pikeville College."

Every Sunday and some week nights students and faculty members of Pikeville College go into rural communities to teach Sunday Schools and to assist in church services. Some teach classes, some lead singing, others offer their services by reading poems or the Scripture—or even by just carrying the organ and song books to the meeting houses.

They give their services freely, feeling it a privilege to work for the Lord Jesus in furthering His Kingdom. The work gives the young people training in Christian work and strengthens their own Christian lives.

Rare fellowship is enjoyed by this group among themselves and the members of the many rural Sunday Schools.

Y. W. C. A.

This year the Y. W. C. A. has been the largest it has ever been in the history of Pikeville College. The meetings have been very interesting and helpful to the girls. The members were divided into four groups and each group was responsible for the different meetings. Best wishes go to Miss Elizabeth North who has been very dear to the girls.

The part that the Dramatics Club has played this year in furnishing good clean entertainment for the school has not been small.

As a part of the annual Christmas program, the club gave a series of tableaux depicting the Bible Christmas story. During the spring, members produced an old fashioned melodrama, "He Ain't Done Right by Nell" and a faculty "take off", written by the students, "The Geniuses and the Morons Meet."

The only requirement for membership is an interest in dramatics. Twice a month, this club has its meetings at Spilman Cottage where members meet to chat and have refreshments.

New Teachers Like Pikeville

College Buildings and Town as Seen From Back of College.

Westminster Graduate Directs Singing

"I am coming to like Pikeville more and more, especially Pikeville College," says Mr. O. D. Shultz, new director of Pikeville College Glee Club. "The thing that has impressed me here at the college is the extreme friendliness of the faculty, students and others. That one thing has made me feel very much at home."

Mr. Shultz was born at Woodstock, New York. He received his degree as Bachelor of Music from Westminster Choir College, Princeton, New Jersey, where he majored in conducting and voice and minored in piano. He also graduated from Spencer's Business College at Kingston, New York, in 1940.

(Continued on Page Three)

Mr. Walker Thinks Pikeville Is Fine

Mr. Carl Walker, the new commercial teacher, says he thinks that Pikeville and Pikeville College are "fine."

Mr. Walker was born in Crittenden County, but now makes his home at Providence, Ky. He is a graduate of Murray State Teachers College, Murray, Ky., and did graduate work at the University of Kentucky. He received a B. S. degree with majors in both commerce and English. Last year he taught at Calhoun High School near Owensboro.

Mr. Walker is a Presbyterian and his most important hobby is reading.

Dickes Like New Home

Mr. John Dickes, the new history teacher, has found his work most pleasant and interesting. He and his family like Pikeville and the Pikeville Training School well enough to want to make here their permanent home.

Why We Celebrate Founders' Day

FOUNDERS' DAY PROGRAM HONORS MRS. WINNIE CALL; SPEAKER STRESSES CHRISTIAN RESPONSIBILITY

WHY WE CELEBRATE FOUNDERS' DAY

Each new Founders' Day brings a new group of students who are not familiar with the early history of the college and the heroic service of the men and women who made it possible. For that reason THE RECORD is again giving that early history in brief.

In 1830 two Presbyterian ministers, Dr. Hendrick and Dr. W. C. Condit, began making trips up the Big Sandy Valley. They realized the need of churches and schools and obtained permission from the Presbytery to select the location for an "Institution of Higher Learning for mountain youth."

IN MEMORIAM WINNIE GREER CALL

Winnie Greer, eldest daughter of George W. and Emily Tate Greer, was born in Watauga County, N. C., on November 23, 1893.

When Winnie was twelve years old, the family moved to Pikeville, where they have resided for the past thirty-seven years. At the age of seventeen she was united in marriage to William Perry Call. To this union were born three children: John George, Virginia Greer, who died at the age of nine months, and Betty Ann.

"It is a terrible responsibility to be a Christian in the world today," said Rev. A. L. Currie, pastor of the First Presbyterian Church at Huntington, in his Founders' Day address in Wickham Chapel on October 8, 1942.

Dr. Currie listed three things which Christians should feel responsible for giving to the world today: first, faith in a Power greater than man's own; second, faith in a Person rather than a philosophy; third, the realization that the glory of life lies not in what a man possesses but in what he possesses a man.

Mrs. Shurtieff Pays Tribute To Mrs. Call

Following Dr. Currie's address, Mrs. May Shurtieff paid a sincere tribute on behalf of the Alumni Association to the late Mrs. Winnie Call.

Shurtieff described Mrs. Call as one of the kindest people she knew, saying that she "didn't be unkind to anyone. Her love was boundless, and her kindness and dependability could surpass any of the most devoted members of the Alumni Association, as always possessing a sense of humor, and as a person to be remembered as the fairest and most loyal of this community."

PRESIDENT PAGE IS OPTIMISTIC

Page reports that he is year to be one of that Pikeville College Sophomore. That is due to receive are teaching certificates, military service war work, six ex are attend. The Freshman than last year's, very much pleased this year that mathematics and engineering this demand for military service.

Miss O'Nan Teaches Tennis

Miss Martha O'Nan, who is the new physical education teacher for women, is very enthusiastic about sports. Her favorites are horseback riding, tennis and golf. She hopes to have a large tennis class.

Miss O'Nan graduated from Science Hill High School at Shelbyville, Kentucky. She received her B. A. degree at Agnes Scott College, Decatur, Georgia. Later she attended the University of Kentucky, where she got her M. A. degree.

Miss O'Nan's home is at Copper, Kentucky. Besides physical education, she also specializes in Spanish. (Continued on Page Four)

Miss Elkin Fills Vacancy

Miss Elkin, the new history teacher, has found his work most pleasant and interesting. He and his family like Pikeville and the Pikeville Training School well enough to want to make here their permanent home.

COLLEGE RECEIVES GENEROUS GIFT

Pikeville College has recently received an exceedingly generous gift, quite unexpected and unsolicited, from two local friends. Mr. Florence Keese, expressing a desire to "do something for the college," offered to donate the winter's supply of coal (two hundred tons) if someone could be secured to haul it from his mines on Ferguson Creek.

Mr. Anthony Smith, another local friend, agreed to do the hauling, and the boys of the college are working on Saturdays to

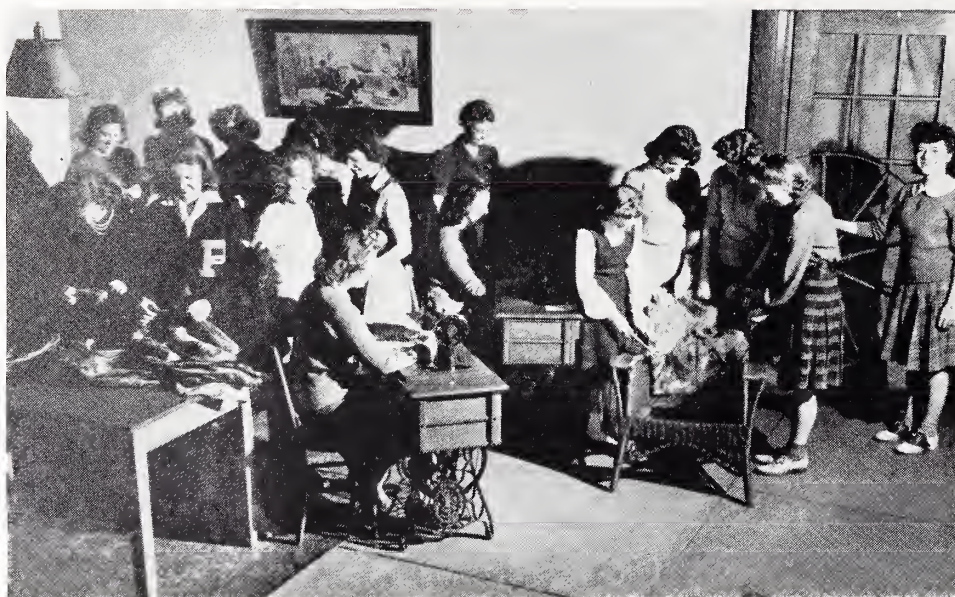

haul the coal. Mrs. Call was a graduate of seven graduates, one, and mother. She has always taken part in the work of the Alumni Association, (it was in keeping with her spirit and her interest in others that many baskets of flowers from the funeral were sent to the college and to the various churches of the city.) Her spirit and influence will remain a part of Pikeville College and its traditions.

The Home Economics girls believe in action and service. During the year they have given two interesting chapel programs, have made duffel bags and surgical dressings for the Red Cross, have bought two linoleum rugs, and have renovated the upholstery in the Home Economics room.

Individual club members have made a good showing in buying war bonds and stamps.

During the year the girls have enjoyed many interesting meetings and several socials.

The Home Ec. Club has spent the year 1942-43 in great success. It is considered as one of the most important clubs of the campus.

FRESHMAN WEEK

ATHLETICS

COACH E. M. "DICK" TYLER

Coach Tyler is a protege of Ed Diddle of Western State Teachers College, where he played for four years. This is the first year at Pikeville College. For the preceding eight years he was Coach and Athletic Director at St. Augustine High School at Lebanon, Ky., where he piled up a grid and cage record excelled by few.

One of the outstanding characteristics of Coach Tyler's method is that he seeks to make of his athletes, leaders, gentlemen, and good sportsmen. Starting under the handicap of the war crisis, losing two regulars to the armed service, Tyler developed a quintet that held up all requirements that former teams had set. His record for this year has more than pleased the followers of the Bears and we know they wish him all the luck with his future teams.

"CUB" CHEER LEADERS

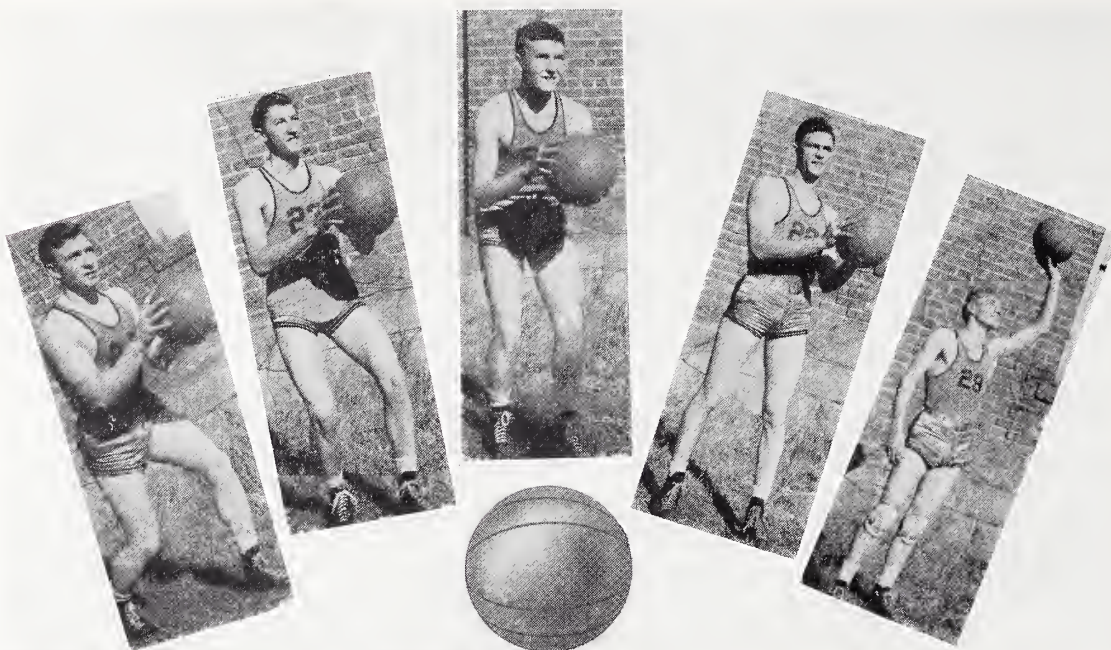

DURWARD W. MAYNARD, Manager

Every ball club must have a manager, and not infrequently the success of the team depends upon the efficiency, the dependability, and the co-operation of the manager. Such has been Durward's record in the season that he has served the Bears as manager and the Cubs as scorer. His ability and efficiency also won for him the distinction of acting as official scorer in the District High School Tournament at Pikeville, the Regional High School Tournament at Prestonsburg, and the State High School Tournament at Lexington.

BASKETBALL

BEARS SEASON IS SUCCESS

Playing a much harder schedule than was anticipated, Coach Tyler's Bear netters won ten out of sixteen games they participated in during the 1942-43 season.

Meeting members of three athletic organizations from Virginia, Tennessee, and Kentucky, the Big Black displayed brilliant form in all their games. Teams from the Virginia Junior College Conference, East Tennessee Conference, Kentucky Intercollegiate Athletic Conference, and Kentucky Junior College Conference were played by the Bears during the year.

The play of Alex "Roxy" Harmon, forward on the Big Black five and named all Kentucky Junior College and all Southeastern forward last year was the leading scorer this year with 328 points or an average of 20.5 per game. Joe Kirk was second high scorer with 206 points and Hurb Salisbury had 169 points. Harmon and Salisbury have played two years of excellent basketball for the Bears. When next season rolls around Coach Tyler will have a mighty tough time replacing these veterans.

Kirk is a newcomer at Pikeville, but was named all Kentucky forward two years with Harmon when they helped Inez High School win the State Championship in 1941.

In the sixteen games played by the Bears during the season they scored 933 points to 780 for their opponents. Their play was more of a sensational type of preordained setup plays than on close-in and rebound shots. This was done to offset the lack of height experienced by the Big Black. They drew capacity audience for every game.

BEARS NAMED COLLEGE CHAMPS

By virtue of winning four out of five conference games and having one game forfeited the Pikeville College Bears are to be named winners of the Kentucky Junior College Conference. The winners heretofore have been chosen by tournament play, but because of the war crisis it was impossible to do so this year.

The champion team, boasting one of the most powerful quintets ever assembled at Pikeville College, was denied its due recognition because only three of the usual eight Junior College teams participated in basketball this season: Pikeville College, Campbellsville and Lindsey Wilson.

The Bears were 137 percentage points ahead of their nearest opponent, rated according to the Dickinson system. Campbellsville was rated second best by the same mathematical method. The Bears scored 290 points as against 195 by their opponents.

This is the first time that Pikeville has ever broken the jinx which has shadowed them since the Junior College loop was formed. Their teams always made a good showing and usually went into the semi-finals and finals but always came out without the winner's wreath.

The main objective of the three teams that played each other this year was to do their utmost to hold the conference together.
